What are your Storage Solutions?

Montel understands the importance of offering cost-effective innovative storage solutions. For your unique storage needs, Mobilex® high-density mechanical mobile storage systems offer the performance solution required for greater evolving storage capacity in less floor space.

Tested by the CRIQ, an industrial research center, Mobilex is reputed the smoothest mobile system in the industry. With its unique drive ratio, you can move multiple Mobilex carriages effortlessly at the same time.

Building your Mobilex® System

Mobilex® is designed to accommodate several Montel shelving systems: 4-Post (SmartShelf), Cantilever (Aetnastak), Case-Type (Cabinet Style) and Wide Span Shelving (4D Wide Span). Likewise, any type of storage can be mounted on Mobilex carriers.

The shelving systems offer a wide variety of accessories such as reference shelves, multimedia drawers, sliding shelves, specialized shelving, drawers, hanging files and much more.

Infinite Storage Possibilities

Versatility and functionality. Mobilex® offers endless storage solutions for specific storage needs: archives, artifacts, athletic equipment, binders, blue prints, books, boxes, bulk storage, cabinets, files, film cans, golf bags, linens, media, office supplies, parts and pieces, police evidence, records, skis, specimens, tapes, tools, video tapes, weapons and x-rays. The list is endless.
